## Neighbourhood Development Plan

Dear Residents,

Despite many challenges along the way, your Parish Council has been working hard on the “Neighbourhood Development Plan”. This plan will help set out how the village can prosper over the next 15 years+. We want to show you the ideas and the work we’ve been doing AND to hear your ideas too. This is the opportunity for residents of all ages to be involved in the future planning of the village. What do you think of our proposals for Woodmansey 2030? Please come along to this event and find out more!!
