

Woodmansey

Neighbourhood Development Plan

THE PLAN MOVES ON!!

Pre-submission consultation with residents, businesses & stakeholders

Despite many challenges along the way, the Parish Council's Steering Group has been working hard on the Woodmansey Development Plan. This Plan will help set out how the village can evolve over the next 15 years. We now need to consult formally with you & want to show you the draft Plan before we submit it to East Riding Council for examination. This is the opportunity for residents of ALL ages to be involved in the future planning of the village. Come and see the proposals for Woodmansey 2030?

Please come along & find out more!!
